At Camira State School we aim for every student to be able to achieve their potential. We expect that all students will ‘strive to learn’ and that all students, regardless of their ability, will be motivated and put in their best effort. We hold high expectations for our students both in terms of their participation and behaviour. All students attending camp will be required to meet our behaviour expectations, these are drawn from our values:

- Respect
- Responsibility
- Safety

While on camp, we expect that all students will continue to maintain our high behaviour expectations, follow our Responsible Behaviour Plan, school rules and camp rules.

Consequences for not meeting behaviour expectations while on camp may include exclusion from camp with parents/carers asked to collect their child from camp.

All parents and carers are required to discuss this Behaviour Agreement and the consequences for not meeting Camira SS behaviour expectations with their child. This form must be signed and returned to school before the commencement of the camp.

Please detach the bottom and return to your child’s class teacher as soon as possible.
