

Investing for Success

**Under this agreement for 2022
Camira State School will receive**

\$350,363*

This funding will be used to

- Inspire and empower our school community to achieve their potential and shape our world.
- Increase the number of valid and reliable A-B grades in English, Mathematics and Science.
- Improve the levels of confidence, engagement, independence and resilience our students show.
- Allow students to know their learning goals and next steps in their learning.

Our initiatives include

- Embedding high-impact and evidence-validated pedagogies through all key learning areas.
- Accelerating literacy and numeracy learning through rigorous, purposeful and targeted teaching.
- Enriching and extending all learners through high quality differentiated and focused teaching.

Our school will improve student outcomes by

- Engaging 2.8 FTE general teachers to provide excellence in STEM teaching. This teaching will also allow for the release of teaching staff to facilitate targeted and focused literacy and numeracy priorities. (\$271 718.40)
- Utilise Teacher Aides to support intensive teaching of reading within all classrooms. (\$50 000)
- Provide targeted release time for teaching staff to professional development and learning in literacy, numeracy and our whole school approach to pedagogy. (\$28 644.60)
- TOTAL \$350,363.00
